

## CENTURION JANITORIAL CART

### High-capacity and organization with comfortable mobility

The innovative and ergonomic details paired with the add-on utility accessories help to create an efficient cleaning system.

The Auto Dolly docking system design eliminates the need to lift heavy wringer bucket's, because it securely locks buckets into place at floor level.

Easy foot pedal release undocks bucket. Simply step on the red foot pedal button on right or left to undock.

### FEATURES

- Easy-release liner lock
- Comfortable handle grip
- Safety floor sign storage
- Durable leak-proof vinyl bag

- 1 Easy-Release Liner Lock:** The innovative liner lock and release feature allows the liner to fit neatly inside the vinyl bag. Placement and removal is simple and fast without extra hassle.
- 2 6Qt. Small Utility Pails:** Our 6qt small utility pails hold cleaning solution, micro-cloths, and other supplies.
- 3 Comfort Cart Handle Grip:** The handle grip design provides the user with increased movement control and comfort.
- 4 Secure Utility Storage:** Built-in storage clips and openings around the cart provide easy access to a variety of cleaning instruments including mops, brooms, and lobby dustpans.
- 5 Safety Floor Sign Storage:** Holds up to eight add-on safety signs.
- 6 Durable Leak-Proof Vinyl Bag:** Made with durable vinyl and zippered for convenient access to trash liner.
- 7 Storage Bins/Drawer:** Add on durable storage bins provide extra space for cleaning tools and products. Easy access from either side of the cart.
- 8 Utility Caddy:** Removable utility caddy has molded in grooves for trigger bottle placement and built-in storage for a bowl mop. Additional space for cart supplies and tool organization. Caddy is included with your purchase of the Centurion Janitorial Cart.
- 9 35Qt Heavy-Duty Side Press Wringer Bucket Combo**
